

ANTARES PHARMA TO REPORT FIRST QUARTER 2019 FINANCIAL AND OPERATING RESULTS

EWING, NJ, April 18, 2019 -- Antares Pharma, Inc. (NASDAQ: ATRS) today announced it will release its first quarter 2019 financial results and recent operating progress before the market opens on Thursday, May 2, 2019. Management will host a webcast and conference call at 8:30 a.m. ET (Eastern Time) on May 2, 2019 to discuss the results.

Interested parties may participate in the conference call by dialing 1-800-458-4121 or 1-323-794-2597 and entering access code 2251670. We encourage interested parties to dial into the conference call at least 10 minutes prior to the scheduled start time. A replay of the conference call will be available from 11:30 a.m. ET on Thursday, May 2, 2019, through 11:30 a.m. ET on Saturday, June 1, 2019 by dialing 1-888-203-1112 or 1-719-457-0820 and entering the access code 2251670. An archive of the slide presentation will also be available under the "For Investors" section of the Antares Website at www.antarespharma.com.

About Antares Pharma

Antares Pharma, Inc. is a combination drug device company focused on the development and commercialization of self-administered parenteral pharmaceutical products using advanced drug delivery auto injector technology. The Company has a portfolio of proprietary and partnered commercial products with several product candidates in advanced stages of development, as well as significant strategic alliances with industry leading pharmaceutical companies including Teva Pharmaceutical Industries, Ltd. (Teva), AMAG Pharmaceuticals, Inc. and Pfizer Inc. (Pfizer). Antares Pharma's proprietary products include XYOSTED™ (testosterone enanthate) injection, OTREXUP® (methotrexate) injection for subcutaneous use and Sumatriptan Injection USP, which is distributed by Teva.

SAFE HARBOR STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

This press release contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are subject to certain risks and uncertainties that can cause actual results to differ materially from those described. Factors that may cause such differences include, but are not limited to: the timing and results of the clinical development program with orphan designation to evaluate the use of subcutaneous methotrexate for the treatment of ectopic pregnancy that meets predefined criteria for medical management; the ability to maintain orphan drug designation, receive ultimate product approval, and receive the advantages of orphan drug designation; market acceptance, adequate reimbursement coverage and commercial success of XYOSTED™ and future revenue from the same; market acceptance of Teva's generic epinephrine auto-injector product and future revenue from the same; successful completion of the transaction with Ferring International Center, S.A.; future market acceptance and revenue from Makena® subcutaneous auto injector; Teva's ability to successfully commercialize VIBEX® Sumatriptan Injection USP and the amount of revenue from the same; continued growth of prescriptions and sales of OTREXUP®; the timing and results of the Company's or its partners' research projects or clinical trials of product candidates in development including projects with Teva and Pfizer; actions by the FDA or other regulatory agencies with respect to the Company's products or product candidates of its partners;

continued growth in product, development, licensing and royalty revenue; achievement of the 2019 revenue guidance; the Company's ability to obtain financial and other resources for its research, development, clinical, and commercial activities and other statements regarding matters that are not historical facts, and involve predictions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance, achievements or prospects to be materially different from any future results, performance, achievements or prospects expressed in or implied by such forward-looking statements. In some cases you can identify forward-looking statements by terminology such as "may", "will", "should", "would", "expect", "intend", "plan", "anticipate", "believe", "estimate", "predict", "potential", "seem", "seek", "future", "continue", or "appear" or the negative of these terms or similar expressions, although not all forward-looking statements contain these identifying words. Additional information concerning these and other factors that may cause actual results to differ materially from those anticipated in the forward-looking statements is contained in the "Risk Factors" section of the Company's Annual Report on Form 10-K, and in the Company's other periodic reports and filings with the Securities and Exchange Commission. The Company cautions investors not to place undue reliance on the forward-looking statements contained in this press release. All forward-looking statements are based on information currently available to the Company on the date hereof, and the Company undertakes no obligation to revise or update these forward-looking statements to reflect events or circumstances after the date of this press release, except as required by law.
